Notes:

- Sponsored research income: includes funds to support research paid either in the form of a grant or by means of a contract from a source external to the institution.
- Financial data were obtained from Statistics Canada.
- Faculty data were obtained from Statistics Canada, Conférence des recteurs et des principaux des universités du Québec (CREPUQ) and the RESEARCH Infosource Canadian University R&D Database. For confidentiality reasons, Statistics Canada randomly rounds the figures either up or down by a multiple of "3".
- Data are provided for the main university/college including its affiliated institutions, where applicable.
- All institutions are members of the Canadian Association of University Business Officers (CAUBO).

* = Has a medical school + = Not a full-service university ** = Includes full, associate and assistant faculty only ++ = Sponsored research income administered by affiliated hospitals was reported one fiscal year in arrears
