Notes:

1. Sponsored research income: includes funds to support research paid either in the form of a grant or by means of a contract from a source external to the institution.
2. Financial data were obtained from Statistics Canada.
3. Faculty data were obtained from Statistics Canada, Conférence des recteurs et des principaux des universités du Québec (CREPUQ) and the RESEARCH Infosource Canadian University R&D Database. For confidentiality reasons, Statistics Canada randomly rounds the figures either up or down by a multiple of "3".
4. Data are provided for the main university/college including its affiliated institutions, where applicable.
5. All institutions are members of the Canadian Association of University Business Officers (CAUBO).

\* Has a medical school + Not a full-service university \*\* Includes full, associate and assistant faculty only ++ Sponsored research income administered by affiliated hospitals was reported one fiscal year in arrears
