Notes:

1. Data were obtained through a survey of research hospitals or from financial statements. Information for Alberta Health Services and Newfoundland was not available. Information for Ontario was coordinated in part through CAHO (Council of Academic Hospitals of Ontario).
2. Research activity includes all income/expenditure (direct and indirect) received/spent from all sources (internal and external) to support research. Some hospitals (indicated with an asterisk \*) provided research income data. Other institutions provided research expenditure data.
3. Data are provided for the main hospital(s) including their affiliated hospitals and research institutes/centres, where applicable.
