**Notes:**

1. Data were obtained through a survey or from financial statements. Information for Ontario was coordinated in part through the Ontario Hospital Association (OHA).
2. Research spending includes all funds (direct and indirect) spent on all sources (internal and external) to support research.
3. Researcher headcounts include full/part-time researchers/scientists/investigators/clinician-researchers with a faculty appointment who actively conducted research in Fiscal 2021.
4. Hospital size tiers are based on Fiscal 2021 total hospital spending: Large = more than \$1 billion; Medium = \$400 million to \$1 billion; Small = less than \$400 million.
5. Apparent ties due to rounding.
